

Children raised in poverty have heard 30 million less words than their more affluent peers — by the age of THREE. This “Thirty Million Word Gap” was documented by Hart & Risley in 2003.

Children raised in homes with 500 books complete an average of 3.2 more years of school. (Study of 70,000 homes, MDR Evans, 2010.)

## INDIVIDUAL BOOK LOG~READING TRACKER

Use this sheet to keep track of your Daily reading for Readers Ignite.

Ask your parent or another adult to initial each entry.

1. At the end of the Read-A-Thon, count up your minutes!
2. Contact your sponsors, and collect the money they promised!
3. Be sure to thank them for supporting your reading, and Readers Ignite!

Send checks payable to Readers Ignite
